

# Association of Environmental & Engineering Geologists

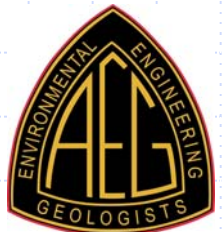

Becky Roland

Chief Staff Executive

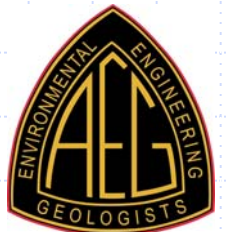

# Who we are

- ◆ Established in 1957
- ◆ 3,100 members worldwide
- ◆ Support applied geologists
  - Engineering geologists
  - Environmental geologists
  - Hydrogeologists

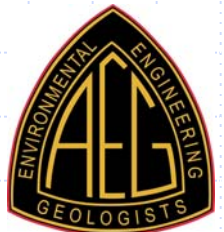

# Publications

- ◆ Peer-reviewed journal (Environmental & Engineering Geoscience)
- ◆ News magazine (AEG NEWS)
- ◆ Special publications
- ◆ Online publications

# Environmental & Engineering Geoscience

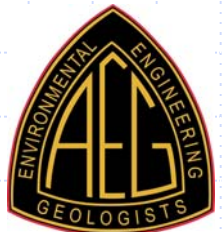

- ◆ Published quarterly
- ◆ 65 manuscripts received last year
  - 25% international
  - 27% increase over previous year

# Instructions for Authors

## ◆ Specifically target

- Site selection
- Feasibility studies
- Investigations
- Design or construction of civil engineering projects or in waste management
- Groundwater
- Related environmental fields

# Promotion for submissions

- ◆ Results of original research
- ◆ Case histories
- ◆ Review papers on state of science/practice
- ◆ Technical notes
- ◆ Critical discussions of published papers
