

## **Permission to Use Submitted Material Form**

Thank you for submitting material (such as paper, images, photo, illustration, animation, video/or audio or other electronic files) for use by the Geoengineer.org Website. This form serves to verify that you own the copyright and hereby grant the Geoengineer.org Website permission to use the material you submit. Please read the terms, sign below and return to [secretariat@geoengineer.org](mailto:secretariat@geoengineer.org).

### **Terms**

By signing this document:

- I grant the Geoengineer.org Website permission to use and distribute the submitted material described below in any and all forms at Geoengineer.org Website's discretion.
- I warrant that the submission(s) is my own work and does not infringe upon the copyright or the proprietary rights of others. I also verify that the material(s) submitted does not contain any information that is unlawful, defamatory, or violative of any person's right to privacy or publicity.
- In the event that any elements used in the Material(s) contain the work or is owned of third-party individuals, I understand that it is my responsibility to secure any necessary permission and/or licenses and will provide same in writing to the Geoengineer.org Website. This includes securing any necessary permission by the client.
- I verify that I am the owner of copyright of this material and/or have the authority to grant such permission. I also release and discharge the Geoengineer.org Website from any and all liability. The Geoengineer.org Website agrees to include the material in its content.

I, \_\_\_\_\_ of \_\_\_\_\_

## **Information about the Submitted Material**

The Geoengineer.org Website asks you to provide as much information as possible about each of your multimedia files, including descriptions and date. If there are any restrictions on the use of the material, please specify these clearly.

## **File Name(s)**

*Please list all the names.*

## **Brief Description**

*For each multimedia item, please include a brief description, which will be used for writing captions. Use a separate page for additional space.*

## **Date of Material**

*Please narrow down the creation date as closely as possible, even if you can give only the decade.*

## **Restrictions for Use**

*Please note, if there is a restriction to use this material, The Geoengineer.org Website will gladly include the information on The Geoengineer.org Website. Since The Geoengineer.org Website is open to the public and does not monitor the use of the material, The Geoengineer.org Website cannot guarantee that people using the site will adhere to restrictions posted.*
