Personal information

Title: **Dr** Gender: (M/F) **Female**

Name: **Pieczynska-Kozłowska, Joanna M.** Suffix:

Mailing address (Street or Postal Box):

City: **Wrocław** Province/State:

Postal code: **50-370** Country: **Poland**

Email address: Website:

joanna.pieczynska-kozłowska@pwr.edu.pl

Phone number: Fax number:

Current affiliation: **Wrocław University of Science and Technology**

Job title: **Assistant Professor**

Education Background

Highest degree received: **PhD, MSc Eng.**

Received from: **Wrocław University of Science and Technology**

Major: **Civil Engineering, Geotechnical and Underground Structure**

Professional background

Professional background relevant to GEOSNet:

Reliability Engineering Geological Modelling, Risk Assessment, Reliability-Based Design, Geotechnical Engineering

Main reasons for your interest in GEOSNet and potential contributions to the network:

I seek to join GEOSNet to build collaborative relationships and conduct joint research activities focused on integrating spatial variability into Reliable Engineering Geological Models to advance global standards in geotechnical reliability and risk assessment.
